the month of July 1927 with its registered office at White-field. It is further stated by him that even though the two Associations are indentical, the old Association legally lost its right over the village site when it was wound up. He is therefore of opinion that the new Association registered under the Mysore Companies Regulation should be recognised in place of the old one if the right over the village site should vest in the new Association.

3. Government agree with the views expressed by the Registrar of Joint Companies and the Revenue Commissioner in Mysore and are pleased to direct that the new Association registered under the Mysore Companies Regulation be recognised in place of the old one and that the possession of the village site do vest in the said association.

SIR,

In reply to your letter No. 213 dated 13th January 1931 re: the constitution of the Whitefield, I have the honor to state as only paper durasti is involved no survey operations are necessary to constitute the new village.

A copy of the map of the newly-formed Whitefield village will be prepared early and sent to you.

Meanwhile, I request that akarbands of the villages affected by t this transaction viz., Hagdur and Nallurhalli, may be kindly sent to this office for durasti and issue of fresh akarbands (both the District Office and Taluk Office copies).

You will thus see that there is perhaps no difficulty in your constituting Whitefield into a Village Panchayet and that you can go ahead at once with that work.

I note that it is your opinion that "the same Village Officers of the old Villages may continue in the newly constituted village also, as you consider that no colonists are keen about taking village offices and further they are not acquainted with the Kannada language and mode of handling village accounts"

I have the honor to be
Sir,
Your most obedient servant,

Sd/-D.Srinivasa Iyengar,

Superintendent.

SIR,

Subject:—Constitution of the White Field Village Panchayet.

With reference to the correspondence ending with your letter No.L.1438/V.P.20-29 dated the 26th August 1931 regarding the above I have the honour to state that with a view to bring the White Field Settlement area under the operation of the Mysore Village Panchayet Regulation, a new village under the name of 'White Field' consisting of certain Survey numbers belonging to Hagadur and Nallurahalli villages occupied by the Settlers was constituted in G.O.No.R.5939-41/R.M.57-29-7 dated 27-4-1931 and as a preliminary to the constitution of the White Field village into a Panchayet (consisting of five elected and five nominated members), elections were held on 16-6-1931. A copy of this office Notification No.C2a-613/29-30 dated 17-8-1931, notifying the election of five members to the White Field Panchayet in the Mysore Gazette is herein enclosed for your reference.

The Amildar, Bangalore Taluk reported that it would be advantageous to group Jodi Pattandur Agrahar (Khayamgutta village) with White Field village as the Settlers in the Jodi Pattandur limits have common interests with those of White Field and are anxious to have their area grouped with the White Field village. The Jodidar was also agreeable to grouping the Pattandur village with the White Field village. I have issued necessary notifications grouping the Jodi Pattandur village with the White Field village for the purpose of the Panchayet Scheme and constituting a hamlet for the old Pattandur village. Another notification nominating 5 more members representing the Settlers in Whitefield and

Jodi Pattandur villages is also issued. I think that the action taken by me will prove beneficial both to the Settlers and the Indians as well.

All that remains to be done is the election or appointment of a Chairman to the White Field Group Panchayet and I herein enclose a copy of my letter No.C2a-613/29-30 dated the 1st August 1931 addressed to the Revenue Commissioner recommending that the privilege of having an elected Chairman may be given to the White Field Panchayet for your kind information. I request you to be so good as to obtain at an early date orders of Government in the matter of empowering the Panchayet to elect its own Chairman.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Bangalore District.

With reference to your letter No.C.3991/30-31 dated the 26th May 1931, regarding the constitution of a village panchayet at Whitefield village, I have the honour to state that the election has taken place on 16-6-1931 and that the members elected and nominated will be notified in the Gazette shortly. The Whitefield panchayet is a very important one as there are many retired officers of Government and other departments. In view of this fact, I recommend that the Whitefield panchayet may be empowered to elect its own chairman under Section 10 (b) of Village Panchayet Regulation.
